

Alan R Jones have always offered best value to our customer but due to the continuing pressure of fuel prices, we have found it necessary to introduce a fluctuating fuel surcharge (based on a buying price of fuel from 19th May 2008).

The fuel surcharge will be determined by our monthly fuel purchasing and if the surcharge changes it will be detailed on the main "fuel escalator" page.

This information will allow you to relate our buying price to forecourt prices. If you have any questions please do not hesitate to contact us.
